August

2023

Welcome to August's Linden Latest. Here is an interesting August fact – in a regular year, no other month starts on the same day of the week as August. In a leap year, that other quirky month, February, will start on the same day of the week as August. We'll look back now on what July brought us.

Creative Mojo joined us again for an art session in which we made this wonderfully bright wreath. It certainly brightens up the wall where it is hung; if you haven't spotted it already, see if you can find it in the home.

Thank you to those who took part creating the beautiful display it really does look wonderful!

We have enjoyed watching the tennis at Wimbledon, especially when it came to the thrilling finals. It was made more special by the delicious treats served by our kitchen staff. We appreciate everyone's efforts when joining in with the fun.

We have been keeping ourselves active with balloon tennis and our own Linden House Skittles summer league. We wait eagerly for the Final at the end of this month!

We had a pleasant morning spent at the garden centre. The cakes were awesome! The garden centre has had a recent refurbishment and we enjoyed exploring the new shop and expanded café area.

Celebrations

Birthday wishes this month are sent to John and Ivy, we hope you both enjoy your special day.

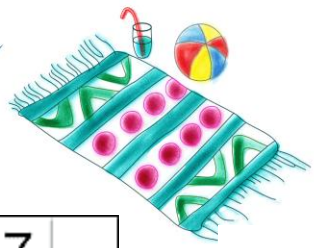

Linden House looks forward to holding our summer fete on Saturday 12th August 2-5pm and the theme is 'International Day'.

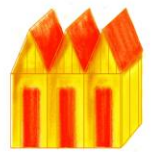

We look forward to seeing our friends and families at this special event which will include international food stalls, traditional Indian dance, games, raffle, and craft stalls.
