

LINDEN LATEST

February

2024

Welcome to February's Linden Latest. We have had a busy month being creative and challenging ourselves with quizzes and games.

We had a wonderful time in our reminiscence session looking through old photographs of

our local area and talking about our past experiences.

Our baking club donned their pinnies and baked delicious rock cakes which we shared with everyone at teatime.

Thank
you

Thank you to everyone who donated to Ghana. There are photos on the notice board by the front door which show the children and staff at the school receiving the many books, clothes, and equipment.

Our Art and Craft group created the most beautiful salt dough ornaments and painted them. They look lovely decorating the rooms.

The children from Waterloo Road pre-school paid us a visit and played games and puzzles. The children are gaining so much confidence every time they visit, and they always brighten our day when they are here.

During Flexercise we have practiced our balloon tennis skills which are really coming along now, and we are getting good at target practice too. We are having so much fun staying active!

We look forward to another game of Kurling this month when Ali from Everyone Active comes to visit.

Celebrations

Birthday wishes this month are sent to Katherine and Michael; we hope you both enjoy your special day.

Nurse's notes

We welcome Madeleine to the Nursing team. We hope you settle in quickly and enjoy working at Linden House.
