

LINDEN LATEST

2023

Welcome to May's Linden Latest. This is a very special month for our country as we celebrate the Coronation of King Charles III. We hope you have enjoyed the wonderful activities that have been on offer in the lead up to the Coronation and will celebrate with us at our very own Coronation party. With the arrival of good weather, we have

also been able to go out on day trips which is very

good news for us all and we look forward to more outings.

We were thrilled to visit Taunton Minster to view the exhibit Gaia:

'Gaia is a touring artwork by UK artist Luke Jerram (In Greek Mythology Gaia is the personification of the Earth).

Measuring six metres in diameter, Gaia features 120dpi detailed NASA imagery of the Earth's surface. The artwork provides the opportunity to see our planet on this scale, floating in three-dimensions.

The installation creates a sense of the Overview Effect, which was first described by author Frank White in 1987. Common

features of the experience for astronauts are a feeling of awe for the planet, a profound understanding of the interconnection of all life, and a renewed sense of responsibility for taking care of the environment.'

(www.tauntonminster.org)

Meanwhile at home, we have been busily preparing for the Coronation; making and decorating salt dough ornaments, painting crowns, hanging the bunting.

We created our coronation crowns with Creative Mojo

While we were feeling creative, we spent some time making cards for our family and friends.

There has been time for games too! Such as skittles, hoopla and darts.

Speak to our activities team with any ideas you have for either group activities or as a one to one if you prefer.

Nurses' Notes

We welcome Julit to the team. We hope you settle in quickly and enjoy working at Linden House.

Celebrations

Birthday wishes this month are sent to Sheila and Patricia W; we hope you both enjoy your special day.
