

# LINDEN LATEST

**2023**

Welcome to October's Linden Latest. It's spooky season, we're looking forward to the autumn crafts and treats that

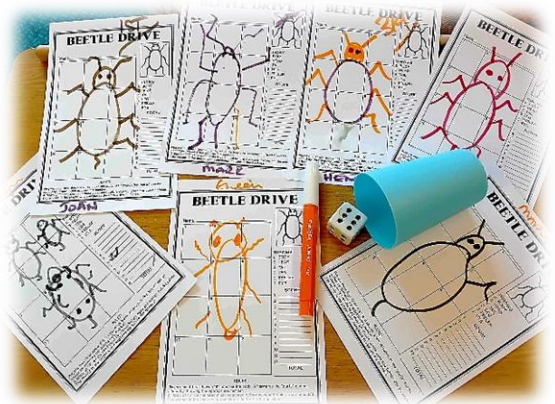

are to come. Firstly, let's look back at what we have been doing in the last month.

Our summer skittles league ended last month; in a spectacular final Margaret W was declared the winner, well done Margaret!

Singer Jeff Fletcher entertained us with a hugely popular choice of sing along classics. It was the first time Jeff has sung for us and we look forward to welcoming him back another time, a good time was had by all.

What fun we had at our Beetle Drive game morning. Well done Joan for coming first place!

We were transported to Paris, France, when we held our French coffee morning. We enjoyed delicious baked treats with our coffee, good music, and even better company.

We were pleased to take a fascinating trip to the Museum of Somerset in Taunton. For most of us it was a first-time visit and we enjoyed it very much.

The Roman mosaic pictured here was made during the 4<sup>th</sup> century AD; it is the oldest item in Britain that tells a complete story.

We were thrilled to receive a visit from the Waterloo Road pre-school children this month and look forward to them returning soon.

## **Nurse's notes**

We welcome Sarah to the housekeeping team; we hope you settle in very quickly and enjoy working at Linden House.

## **Celebrations**

Birthday wishes this month are sent to Eileen, Angela, Shirley, Barry, Barbara, and Mary; we hope you all enjoy your special day.
